

# RoadFocus - enhance your roadways

## RoadFocus LED off road Cobra Head - Large (RFL)

Not all roadway applications are created equal. The Lumec RoadFocus LED off road cobra head luminaires offer a versatile solution for applications that are outside the range of traditional roadway lighting. Combined with specialized optics to be used in a tilt application, the knuckle adapter can tackle even the most difficult installation. From traditional streets to off road applications, The RoadFocus product family will help you simplify your luminaire selection.
