

Stylishly sophisticated, boldly dramatic...

EyeLine suspended

Ledalite EyeLine is sure to make a statement in any architectural space. Its horizontally ultra-thin line of light makes EyeLine virtually weightless, and so utterly organic that it becomes a natural element of design of the built environment. Providing gentle, glare free illumination, EyeLine performs like no other with maximized row spacing, and keeping energy densities to a minimum in large open plan areas. Make your room the view with EyeLine.

Benefits

- Sophisticated architectural design combined with high performance optics
- Unique design with an open center makes the luminaire appear weightless
- Wide row spacing with fewer fixtures and lower energy consumption

Features

- Suspended and wall mount versions
- MesoOptics and Light Guide technology
- Remotely mounted Driver Pod system
- Ultra-thin design

Application

- Office
- Banks
- Hospitality
- Fashion
