

The ultra-thin downlight for general lighting applications with limited build-in height

Greenup Slim Downlight

Greenup Slim downlight is ultra-thin product for general lighting applications with limited build-in height, which is suitable for a series of Lighting applications in Office, Retail and General Area Lighting. Available in a wide variety of lumen packs, cut out size, color temp and dimming option (ETO approach).

Renefits

- · Compact design for better integration with the building
- · Comfortable light with high efficiency
- \cdot Reliable performance for indoor applications
- Connected lighting and future-proof smart technology

Features

- · Lumen package: 600lm, 1000lm, 1500lm, 2100lm
- Cut out size: 3", 5", 6", 8"
- · CCT: 3000K / 4000K
- CRI: 80
- · On/off (DALI, 1-10V ETO)
- \cdot Lifetime: 50,000hours L70 Ta 25°C

Greenup Slim Downlight

Application

- Office Building
- Retail
- Hospitality
