Downlighting

Retrofit downlight

4" and 5/6" round aperture

An LED retrofit as easy as snap & click

Philips Lightolier LED Retrofit downlight is super easy to install and will save you lots of time and frustration on the job site. You will love how hassle-free this fixture is, with a quick connect plug and medium base socket adapter included, you may not even need to open your toolbox. This is an affordable solution for new construction or remodelling.

Benefits

- Utilizes existing frames to make replacing old downlighting and upgrading to LED, a truly easy task.
- Flexible springs allow for installation without tools.
- Contemporary and simple design with baffle trim.
- Uniform LED light with glare-reduction filter, means a more comfortable space.
- Long lifetime will reduce your future maintenance.
- The product is dimmable with TRIAC/ELV dimmers

Philips Lightolier LED Retrofit downlight

Your go-to LED replacement solution. Whether you have a commercial, institutional or residential space that needs an energy-saving upgrade, the Retrofit downlight will be the fast and cost-effective answer.
