

# T-Grid Recessed LED

## 1X4 Recessed Lensed Troffer, 3200 Lumen, 3500K, UNV

1X4 Recessed Lensed Troffer, 3200 Lumen, 3500K, UNV

T-Grid LED Troffer is an energy efficient low profile luminaire offering excellent performance for general lighting applications such as offices, schools, healthcare, or retail. Featuring a frosted prismatic lens to enhance visual comfort, the T-Grid LED Troffer utilizes highly reliable and efficient Philips LED platform boards and dimmable driver, enabling market leading product efficiency in its category.
