

EFix TPS262

TPS262 2x28W/830 HFS D6 SMT WH

EFix suspended mounted - 2 pcs - 28 W - 830 warm white - HF Standard - Semi-high-gloss optic double parabolic - Suspension set twin, triangle - White

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Product data

General Information			
Number of light sources	2 pcs	Emergency lighting	-
Lamp family code	TL5 [TL5]	Embedded control	-
Lamp power	28 W	Separate switching	-
Light source color	830 warm white	Internal wiring	Standard
Kombipack	Lamp(s) included	Cable	-
Gear	HFS [HF Standard]	Protection class IEC	Safety class I
Optic type	Semi-high-gloss optic double parabolic	Mounting	Suspension set twin, triangle
Optical cover/lens type	-	Ready-to-install	-
		Glow-wire test	Temperature 850 °C, duration 5 s

EFix TPS262

Flammability mark	For mounting on normally flammable surfaces
CE mark	CE mark
ENEC mark	ENEC mark
Product family code	TPS262 [EFix suspended mounted]

Operating and Electrical

Input Voltage	220 to 240 V
---------------	--------------

Mechanical and Housing

Overall length	1241 mm
Color	White

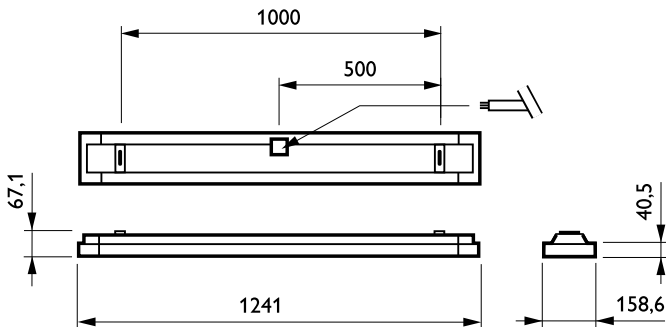

Approval and Application

Ingress protection code	IP20 [Finger-protected]
-------------------------	--------------------------

Product Data

Full product code	872790061343800
Order product name	TPS262 2x28W/830 HFS D6 SMT WH
EAN/UPC - Product	8727900613438
Order code	910402465112
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
Material Nr. (12NC)	910402465112
Net Weight (Piece)	3.500 kg
