

# SGS203/403

## SGS203 SON-TPP70W K 230V ST

SGS203, SON-T PIA Plus, 70 W, 230 V

SGS203/403 is a modular luminaire in contemporary style for safe and comfortable driving, and for area illumination, with low energy and maintenance costs. It offers a choice of canopies and a bowl or minimal-glare flat glass. Dedicated optics optimize beam control and maximize light output. Five different reflector positions allow precise control of beam direction. Energy savings are possible, for instance with the Chronosense dimming system (no pilot cable required). SGS203/403 is suitable for side-entry or post-top mounting.
