OptiFlood MVP506

ZVP506 SK

OptiFlood

Philips has a long tradition of excellence in environmentally friendly asymmetric floodlighting systems for sports and general area lighting as well as architectural applications. OptiFlood's extremely efficient, best-in-class optical system provides an accurately controlled light distribution – total light cut-off above the horizontal and a peak beam intensity at high angles – keeping obtrusive light to a minimum. Both the MVP504 and MVP506 versions are available with two types of reflector – asymmetric or road-lighting POT optics – for flexibility in application. They can also accommodate CosmoPolis metal-halide lamps for good color rendering, high-pressure sodium lamps for economical operation, and MASTERColour CDM Elite MW lamps for highly efficient lighting with longer-lasting white light. OptiFlood is also available in a LED version (BVP506). With its compact shape and aesthetically pleasing design, OptiFlood can be used in applications where design and appearance are just important as technical performance. In the design, attention has also been focused on the detailing. This has led to integrated 'hidden' hinges, angle adjustment designed as part of the body and a mounting bracket angled to allow more aesthetic integration onto columns.

Product data

General Information

Product family code	ZVP506 [OptiFlood]

Product Data

Order product name	ZVP506 SK
Full product name	ZVP506 SK
Full product code	871155972307500
Order code	910403066412

Material Nr. (12NC)	910403066412
Numerator – Quantity Per Pack	1
EAN/UPC – Product/Case	8719514125797
Numerator – Packs per outer box	1
EAN/UPC – Case	8711559723075
