

SmartForm TBS460

ZBS460 SMB-PLC (1 set = 12PCS)

TBS460 ACC

Reflecting Philips' drive for simplicity and sustainability, SmartForm recessed is a complete family of highly versatile modular and semi-modular luminaires. These luminaires are available with a choice of LED or MASTER TL5 light sources in square and rectangular versions. Designed to fit in a wide range of ceiling types, SmartForm can fulfill the majority of project requirements in most applications. Energy efficiency. As well as incorporating energy-efficient light sources and electronic ballasts, the SmartForm recessed family can be equipped with lighting controls. These include solutions for presence detection and daylight regulation (ActiLume) or daylight regulation only (Luxsense), thereby further reducing energy consumption (W/m² is very low). In this way, this Green Flagship range lowers overall cost of ownership as well as CO2 levels, making SmartForm an environmentally friendly choice. SmartForm recessed TBS460 – ultra-flat 'light beam'. SmartForm recessed TBS460 'light beam' luminaires are built around superior micro-optics and have a build-in height of a mere 45 mm, making them ideal for applications requiring very flat light fittings, e.g. refurbishment projects where ceiling space may be especially limited.

Product data

General Information	
Product family code	ZBS460 [TBS460 ACC]

Product Data	
Order product name	ZBS460 SMB-PLC (1 set = 12PCS)
Full product name	ZBS460 SMB-PLC (1 set = 12PCS)
Full product code	871794398270799
Order code	910403204103

Material Nr. (12NC)	910403204103
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8717943982707
Numerator - Packs per outer box	10
EAN/UPC - Case	8717943982714
