

Iridium SGS253/453

ZGS253 L-BACK V2

IRIDIUM

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls. Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemanagement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Dati del prodotto

Informazioni generali	
Codice famiglia prodotto	ZGS253 [IRIDIUM]
Dati del prodotto	
Nome prodotto ordine	ZGS253 L-BACK V2
Nome completo prodotto	ZGS253 L-BACK V2
Full EOC	871155983309500
Codice d'ordine	83309500

Codice materiale (12NC)	910502103118
Codice locale	ZGS253LBACKV2
Numeratore SAP - Quantità per confezione	1
EAN/UPC - Prodotto/scatola	8711559833095
Numeratore - Confezioni per scatola esterna	1
EAN/UPC - Case	8711559833095
