

Metronomis Torino

CDS530 CDM-T70W II OB GR ST

METRONOMIS 1, MASTERColour CDM-T, 70 W, Opal bowl/cover

The simple, elegant outline of the Torino integrates harmoniously with most modern urban environments. The housing has been kept as small as possible and the transition from luminaire to column is smooth. A combination of the Torino and one of the dedicated Metronomis columns ensures a visual consistency that subtly enhances the rhythm and direction of public spaces. After sunset, the Torino is characterised by an advanced light-technical performance. Depending on the combination of light source and optical element chosen, the Torino can create a variety of atmospheric and spatial lighting effects.

Product data

| | | | |
|---------------------------------|----------------------------------|--|--|
| General Information | | Power Consumption | |
| Lamp family code | CDM-T [MASTERColour CDM-T] | 70 W | |
| Gear | CONV [Conventional] | Mechanical and Housing | |
| Product family code | CDS530 [METRONOMIS 1] | Housing Color | |
| Embedded control | - | Grey | |
| CE mark | Yes | Approval and Application | |
| ENEC mark | ENEC mark | Ingress protection code | |
| Glow-wire test | Temperature 850 °C, duration 5 s | IP65 [Dust penetration-protected, jet-proof] | |
| Light Technical | | Mech. impact protection code | |
| Number of light sources | 1 | IK09 [10 J] | |
| Optical cover type | Opal bowl/cover | Protection class IEC | |
| Optic type outdoor | - | Safety class II | |
| Operating and Electrical | | Product Data | |
| Input Voltage | 230 V | Order product name | |
