

DALI Square Track

RCS750 5C6 L3000 ALU (XTSC6300-1)

3-circuit power track adapter with DALI pulse control GAC600

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

Product data

General Information		Dimensions (height x width x depth)	
Protection class IEC	Safety class I (I)	NaN x NaN x NaN mm (NaN x NaN x NaN in)	
Glow-wire test	850/5 [Temperature 850 °C, duration 5 s]	Approval and Application	
Suspension accessories	No [-]	Ingress protection code	IP30 [Tool-protected]
Mechanical accessories	No [-]	Product Data	
Accessory colour	Aluminum	Full product code	871869606532700
Operating and Electrical		Order product name	RCS750 5C6 L3000 ALU (XTSC6300-1)
Electrical accessories	No [-]	EAN/UPC – product	8718696065327
Circuit	5C6 [3-circuit power track adapter with DALI pulse control GAC600]	Order code	06532700
Mechanical and Housing		Numerator – quantity per pack	1
Length	3000 mm	Numerator – packs per outer box	1
		Material no. (12NC)	910502500044
		Net weight (piece)	2.990 kg
