

# DALI Square Track

## RCS750 5C6 L2000 BK (XTSC6200-2)

DALI Square Track, Normal, Black, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminium track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

### Product data

<b>General Information</b>		<b>Full product name</b>	RCS750 5C6 L2000 BK (XTSC6200-2)
Accessory colour	Black	Full EOC	871869606536500
Glow-wire test	Temperature 850 °C, duration 5 s	Order code	06536500
<b>Approval and Application</b>		Material no. (12 NC)	910502500048
Ingress protection code	IP30 [Tool-protected]	SAP numerator – quantity per pack	1
Protection class IEC	Safety class I	EAN/UPC – Product/Case	8718696065365
<b>Product Data</b>		Numerator – packs per outer box	1
Order product name		EAN/UPC – Case	8718696065365
