

DALI Square Track

RBS750 5C6 L3000 WH (XTSCF6300-3)

DALI Square Track, Normal, White, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminium track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

Product data

General Information		Full product name	
Accessory colour	White	Full EOC	RBS750 5C6 L3000 WH (XTSCF6300-3)
Glow-wire test	Temperature 850 °C, duration 5 s	Order code	871869606546400
Approval and Application		Material no. (12 NC)	06546400
Ingress protection code	IP30 [Tool-protected]	SAP numerator – quantity per pack	910502500058
Protection class IEC	Safety class I	EAN/UPC – Product/Case	1
Product Data		Numerator – packs per outer box	8718696065464
Order product name	RBS750 5C6 L3000 WH (XTSCF6300-3)	EAN/UPC – Case	1
			8718696065464
