

# DALI Square Track

## RBS750 5C6 L2000 ALU (XTSCF6200-1)

DALI Square Track, Normal, Aluminum, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

### Product data

<b>General Information</b>		<b>Full product name</b>	RBS750 5C6 L2000 ALU (XTSCF6200-1)
Accessory color	Aluminum	Full product code	871869606547100
Glow-wire test	Temperature 850 °C, duration 5 s	Order code	910502500059
<b>Approval and Application</b>		Material Nr. (12NC)	910502500059
Ingress protection code	IP30 [Tool-protected]	Numerator - Quantity Per Pack	1
Protection class IEC	Safety class I	EAN/UPC - Product/Case	8718696065471
<b>Product Data</b>		Numerator - Packs per outer box	1
Order product name	RBS750 5C6 L2000 ALU (XTSCF6200-1)	EAN/UPC - Case	8718696065471
