

DALI Square Track

RBS750 5C6 L1000 WH (XTSCF6100-3)

DALI Square Track, Normal, White, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminium track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

Product data

| General Information | |
|--------------------------|-----------------------------------|
| Accessory colour | White |
| Glow-wire test | Temperature 850 °C, duration 5 s |
| Approval and Application | |
| Ingress protection code | IP30 [Tool-protected] |
| Protection class IEC | Safety class I |
| Product Data | |
| Order product name | RBS750 5C6 L1000 WH (XTSCF6100-3) |
