

# DALI Square Track

## ZCS750 5C6 IPC BK (XTSC621-2)

Black

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminium track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

### Product data

General Information			
Accessory colour	Black	Material no. (12 NC)	910502500075
		SAP numerator – quantity per pack	1
		EAN/UPC – Product/Case	8718696065631
		Numerator – packs per outer box	100
		EAN/UPC - Case	8718696065969
Product Data			
Order product name	ZCS750 5C6 IPC BK (XTSC621-2)		
Full product name	ZCS750 5C6 IPC BK (XTSC621-2)
