

# Vivara

## HGC136 CDO/SON-70W GN

SON or MASTER CityWhite CDO-ET/TT, 70 W, Green

Vivara is an economical, vandal-resistant 'green' bollard range for ground-mounting applications. It comes in a choice of two sizes, both available with Fortimo LED and a variety of discharge and incandescent or compact fluorescent lamps, and both PVC- and mercury-free. The internal louver ensures glare-free light distribution. Special screws have been used to prevent vandalism; however installation could not be simpler, as everything you need is in the box!

### Product data

| General Information      |                                                  |
|--------------------------|--------------------------------------------------|
| Lamp family code         | SON/CDO [SON or MASTER CityWhite CDO-ET/TT]      |
| Cap-Base                 | E27 [E27]                                        |
| Gear                     | CONV [Conventional]                              |
| CE mark                  | Yes                                              |
| Flammability mark        | For mounting on normally flammable surfaces      |
|                          |                                                  |
| Operating and Electrical |                                                  |
| Input Voltage            | 230 V                                            |
| Power Consumption        | 70 W                                             |
|                          |                                                  |
