

eColor Graze MX Powercore

BCS439 48xLED-HB/BL 9 L1219

Blue - 9° x 9° - Narrow beam angle 9° - 1219 mm

eColor Graze MX Powercore is a high-performance, exterior linear luminaire that features the most light output in our line of solid color LED grazing luminaires. It is designed to highlight architectural features with intensely saturated solid red, green, blue, or amber light. Multiple fixture lengths, beam angles, output levels, and power consumption levels support a large range of façade or surface illumination application. Low-profile housing, connectorized cabling, a universal power input range, and direct line voltage operation make Graze luminaires easy to install and operate.
