# **ProFlood LED**

# BCP608 LED55/740 II EB GOBO GR10714 MSP

PROFLOOD LED, 1, LED Multi-die, LED, 50 W, Electronic standard, Power supply unit regulating with constant light output, Symmetrical, Tempered glass, 40°, Mounting bracket adjustable

Philips ProFlood LED is a waterproof projector for both image projection (gobo) and creative light framing (shutters). This powerful architectural floodlighting tool gives display lighting designers superb creative freedom to project everything from images to logos. With an adjustable beam, the projector's output can be fine-tuned to precisely match the surroundings. ProFlood LED can be used to create a particular effect, virtually 'sculpting' the light to support architectural light concepts for every city and urban context. Eye-catching display effects made easy with ProFlood LED.

#### Product data

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED-MD [LED Multi-die]                          |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Gear                     | EBS [Electronic standard]                       |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value. * At       |
|                          | extreme ambient temperatures the luminaire      |
|                          |   |

|                          | might automatically dim down to protect |
|--------------------------|---|
|                          | components                              |
| Light source engine type | LED                                     |
| Product family code      | BCP608 [PROFLOOD LED]                   |
| Lighting Technology      | LED                                     |
| Value ladder             | Performance                             |
| CE mark                  | Yes                                     |
| Warranty period          | 1 years                                 |
| Flammability mark        | -                                       |
