

Maxos, mounting accessories

9MX056 MB-SW L1250 WH

ACC MAXOS, White

The light line fulfils two functions: first, it provides a sturdy in-line mounting rail on which to fix the electrical units, and second, it provides a housing for the electrical cables that bring power to the units. For suspended light lines, the light-line sections are connected using the integrated electrical connector and a sturdy external mechanical coupling piece (accessory). Surface-mounted light lines use the same integrated electrical connector and an internal coupler (accessory). On the upper part of the light-line section, special knock-out openings enable cable entry wherever needed. The basic accessories of Maxos TL-D trunkings can also be used for the TL5 trunkings.

Product data

General Information	
Accessory color	White
Product family code	9MX056 [ACC MAXOS]

Approval and Application	
Ingress protection code	-
Protection class IEC	-

Product Data	
Order product name	9MX056 MB-SW L1250 WH
Full product name	9MX056 MB-SW L1250 WH
Full product code	403073225921200
Order code	910605148126
Material Nr. (12NC)	910605148126
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	4030732259212
Numerator - Packs per outer box	1
EAN/UPC - Case	4030732259212
