

Maxos, mounting accessories

9MX056 MB-SW L3000 SI

ACC MAXOS, Silver

The light line fulfils two functions: first, it provides a sturdy in-line mounting rail on which to fix the electrical units, and second, it provides a housing for the electrical cables that bring power to the units. For suspended light lines, the light-line sections are connected using the integrated electrical connector and a sturdy external mechanical coupling piece (accessory). Surface-mounted light lines use the same integrated electrical connector and an internal coupler (accessory). On the upper part of the light-line section, special knock-out openings enable cable entry wherever needed. The basic accessories of Maxos TL-D trunkings can also be used for the TL5 trunkings.

Product data

General Information		Full product name	
Accessory color	Silver	9MX056 MB-SW L3000 SI	
Product family code	9MX056 [ACC MAXOS]	Full product code	
		403073225987800	
		Order code	
		910605149326	
		Material Nr. (12NC)	
		910605149326	
		Numerator - Quantity Per Pack	
		1	
		EAN/UPC - Product/Case	
		4030732259878	
		Numerator - Packs per outer box	
		1	
		EAN/UPC - Case	
		4030732259878
