

Iridium SGS253/453

SGS253 SON-T150W K II CX GB GR SND

IRIDIUM - SON-T - 150 W - Closed XT-POT - Glass bowl/cover

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls.

Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemangement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Product data

General Information	
Lamp family code	SON-T [SON-T]
Lamp power	150 W
Kombipack	Lamp(s) included
Optical cover/lens type	Glass bowl/cover
Protection class IEC	Safety class II
Optic type outdoor	Closed XT-POT
Product family code	SGS253 [IRIDIUM]
Operating and Electrical	
Ignitor	Digital semi-parallel

Mechanical and Housing	
Color	Gray
Product Data	
Full product code	871794386421800
Order product name	SGS253 SON-T150W K II CX GB GR SND
EAN/UPC - Product	8717943864218
Order code	910721401430
Numerator - Quantity Per Pack	1
Numerator - Packs per outer box	1
Material Nr. (12NC)	910721401430
Net Weight (Piece)	9.737 kg
