

EFix TCS260

ZCS260 SME-5-SI

EFix TCS260, Accessory

The EFix TL5 luminaire range is a dedicated, affordable choice of innovative lighting that enables massive energy savings to be made when old electromagnetic installations are replaced by the latest Philips technology. The range's optical performance complies with the latest EN-12464 norms, ensuring improved lighting quality in every application. Used in combination with high-frequency gear, Philips MASTER TL5 lamps enable substantial energy savings to be made. These savings can be further increased by using a Luxsense daylight controller integrated into the luminaire. The practical design of EFix combines both surface-mounted (TCS260) and suspended (TPS262) luminaires in one design. Thanks to the luminaire's easily removable top cover, the beam can be adjusted to provide direct or direct/indirect lighting. EFix is supplied with lamps and is ready to install, minimizing installation time. EFix recessed TBS260 completes Philips' range of luminaires for general lighting applications in offices and shops.

Product data

General Information	
Accessory color	Silver
Product family code	ZCS260 [EFix accessories]
Value ladder	Performance
Product Data	
Order product name	ZCS260 SME-5-SI
Full product name	ZCS260 SME-5-SI
Full product code	872790061405300

Order code	61405300
Material Nr. (12NC)	910925225511
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8727900614053
Numerator - Packs per outer box	1
EAN/UPC - Case	8727900614053
