

TTX260

ZTX260 EP WH (6PCS)

TTX260, White

TTX260 is a value-for-money, versatile light-line solution – it can be used with or without (low-cost) reflectors, and the family easily covers most applications. This simple, two-component system features a clever design that avoids the use of a geartray. And T5 miniaturization minimizes the use of materials. These factors make TTX260 a low-cost investment, and yet its relatively high light output ratio ensures good lighting performance. What's more, installation costs are minimized thanks to the place-and-click fitting system, which requires no special tools or training. Sturdy, yet slim and stylish, TTX260 has a look similar to the popular Maxos light-lines.

Product data

| General Information | | | |
|---------------------|---------------------|---------------------------------|---------------------|
| Accessory color | White | Numerator - Quantity Per Pack | 1 |
| Product family code | ZTX260 [TTX260] | Numerator - Packs per outer box | 6 |
| Product Data | | Material Nr. (12NC) | 910925239811 |
