

Iridium SGS252/452

SGS452 SON-T70/50W II FG SUD 48/60 FIN

IRIDIUM, SON-T

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls. Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemangement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Product data

General Information		Order code	
Lamp family code	SON-T [SON-T]	Order code	910925438430
Product family code	SGS452 [IRIDIUM]	Material Nr. (12NC)	910925438430
CE mark	Yes	Numerator - Quantity Per Pack	1
Product Data		EAN/UPC - Product/Case	8718291912521
Order product name	SGS452 SON-T70/50W II FG SUD 48/60 FIN	Numerator - Packs per outer box	1
Full product name	SGS452 SON-T70/50W II FG SUD 48/60 FIN	EAN/UPC - Case	8718291912521
Full product code	871829191252100
