Iridium SGS253/453

SGS453 SON-T150/100W II FG SUD 48/60 FIN

IRIDIUM, SON-T

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls. Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemanagement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.
Product data

General Information

Lamp family code	SON-T [SON-T]
Product family code	SGS453 [IRIDIUM]
CE mark	Yes

Product Data

Order product name	SGS453 SON-T150/100W II FG SUD 48/60 FIN
Full product name	SGS453 SON-T150/100W II FG SUD 48/60 FIN
Full product code	871829191253800

Order code	910925438431
Material Nr. (12NC)	910925438431
Numerator – Quantity Per Pack	1
EAN/UPC – Product/Case	8718291912538
Numerator – Packs per outer box	1
EAN/UPC – Case	8718291912538
