

# Malaga SGS101

## SGS101 SON-I-70W II MR-AS SA 42/60

MALAGA, SON-I, 70 W, Safety class II, Moveable reflector with Allen screw, Sand, Universal for diameter 42 to 60 mm

Malaga is a versatile road-lighting luminaire. It offers modern styling and quality lighting for safe and comfortable driving, and for area illumination, with low investment and maintenance costs. The optical system has been designed to deliver good beam control and light output. Malaga provides optimal illuminance and good uniformity when the mounting height approximately equals the road width and the mast spacing is approximately 3.5 times the road width. It is suitable for post-top and side-entry mounting; a wall-mounting bracket is also available.

### Product data

| General Information            |                                     |
