

Maxos fusion

LL523Z CD SI

Maxos fusion Acc., Silver

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With an electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future layout changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information	
Accessory colour	Silver
Product family code	LL523Z [Maxos fusion Acc.]
Value ladder	Specification
Warranty period	5 years
Flammability mark	For mounting on normally flammable surfaces
EU RoHS compliant	Yes
Operating and Electrical	
Input Voltage	- V
Line Frequency	- Hz
Mechanical and Housing	
Housing material	Steel

Fixation material	Stainless steel
Housing Colour	Silver
Overall length	2,275 mm
Overall width	63 mm
Overall height	42 mm
Dimensions (height x width x depth)	42 x 63 x 2275 mm
Material	Steel
Approval and Application	
Mech. impact protection code	IK00 [No protection]
Protection class IEC	-
Product Data	
Order product name	LL523Z CD SI

Maxos fusion

Full product name	LL523Z CD SI
Full EOC	871869637468999
Order code	37468999
Material no. (12 NC)	910925864244
SAP numerator – quantity per pack	1

EAN/UPC – Product/Case	8718696374689
Numerator – packs per outer box	10
EAN/UPC – Case	8718696383629
