

# CoreLine surfacemounted

## SM134V LED37S/840 PSU W20L120 ELB3 NOC

CoreLine surface-mounted, 38 W, 1200x200 mm, 3700 lm, 4000 K, ELB3h

Whether for a new building or renovation of an existing space, customers want lighting solutions that provide quality of light and substantial energy and maintenance savings. The new CoreLine Surface-mounted range of LED products can be used to replace functional luminaires in general lighting applications. The process of selecting, installing and maintaining is so easy — it's a simple switch. Coreline Surface Mounted also provides the option of advanced connectivity and is ready to be connected to IoT based software applications such as Interact Pro.

#### Warnings and Safety

- The product is IPXO and as such is not protected against water ingress, so we strongly recommend that the environment in which the luminaire is to be installed is suitably checked
- If the above advice is not taken and the luminaires are subject to water ingress, Philips/Signify cannot guarantee safe failure and product warranty will become void

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Light source replaceable | No  |
| Number of gear units     | Unit  |
| Driver included          | Yes   |
| Remarks                  | *- According to the Lighting Europe guidance    |
|                          | paper 'Evaluating performance of LED based      |
|                          | luminaires – January 2018': statistically there |

|                     | is no relevant difference in lumen          |
|---------------------|---|
|                     | maintenance between the B50 and, for        |
|                     | example, the B10. Therefore, the median     |
|                     | useful life (B50) value also represents the |
|                     | B10 value.                                  |
| Product family code | SM134V [Coreline Surface]                   |
| Lighting Technology | LED   |
|                     |   |
