

ClearWay gen2

BGP307 LED25/740 II DM11 CLL DDF2 SR C10

ClearWay gen2, LED Module 2500 lm, 740 neutral white, Safety class II, Distribution medium 11, Universal for diameter 48 to 60 mm adjustable

ClearWay Gen2 enables you to enjoy the benefits of LED technology for urban lighting right from the start. This new second generation of the luminaire builds on the strengths of its predecessor and is designed to further minimize your Total Cost of Ownership. ClearWay Gen2 significantly improves the most important aspects of the street lighting experience compared to conventional urban lighting. Ideal for new streets and for renovating existing installations, this affordable range of urban ClearWay lighting solutions combines clean design, high-quality light with significant energy and maintenance savings. In short, ClearWay Gen2 means good quality light with all the added benefits of LED – energy savings and long lifetime. Offering more benefits, yet packaged in a thinner and lighter design, which makes it easier to install.

Product data

| General Information | |
|--------------------------|--|
| Lamp family code | LED25 [LED Module 2500 lm] |
| Light source replaceable | Yes |
| Number of gear units | 1 unit |
| Driver included | Yes |
| Remarks | Zhaga-D4i / SR compatibility: Luminaire prepared for |
| | D4i / SR drivers and Zhaga Book18 socket, offering a |
| | standardized futureproof platform for connectivity |
| | and sensors. For Zhaga-D4i / SR based luminaires |
| | only Zhaga-D4i / SR Certified components/sensors |
| | are to be used (see also: https:// |

www.zhagastandard.org/products / http://www.lighting.philips.co.uk/oem-emea/products/driving-connected-lighting). Functional compatibility of 2 Zhaga-D4i / SR certified) components/sensors to be used in combination as well as override possibility of any lineswitch function used in a SR based luminaire, is to be released by the master component/sensor supplier. For the use of NEMA 7pin socket on a Zhaga-D4i / SR based luminaire a full system verification is required. Not following these advises can/will cause risk of damage and noncompliance for which Signify cannot take any
