

# GentleSpace GreenWarehouse

### BY471X GRN250S/840 WB PC ACW SI

GentleSpace GreenWarehouse, LED GreenLine system flux 25000 lm, 840 neutral white, Wide beam, Polycarbonate bowl/cover, ActiLume wireless, Silver

This dedicated system makes it easy for warehouse developers and facility managers to achieve maximum energy savings. It seamlessly integrates state-of-the-art LED lighting with an easy-to-use and reliable networked control solution. When the situation on the work floor changes, settings such as dimming levels and timing can be changed wirelessly by the end-users themselves. Luminaires can be combined in groups across the layout, and re-zoning them does not require a hardware change, thus minimizing commissioning costs. The system delivers savings over and above the actual efficiency of the LEDs and is future-proof. Easy to understand, easy to design-in, and easy to use, the GreenWarehouse is simplicity itself.

#### **Product data**

| General Information      |   |  |
|--------------------------|---|--|
| Lamp family code         | GRN250S [LED GreenLine system flux              |  |
|                          | 25000 lm]                                       |  |
| Light source replaceable | Yes   |  |
| Number of gear units     | 2 units   |  |
| Driver included          | Yes   |  |
| Remarks                  | *-Per Lighting Europe guidance paper            |  |
|                          | "Evaluating performance of LED based            |  |
|                          | luminaires - January 2018": statistically there |  |
|                          | is no relevant difference in lumen              |  |
|                          |   |  |

|                     | maintenance between B50 and for example      |
|---------------------|--|
|                     | B10. Therefore, the median useful life (B50) |
|                     | value also represents the B10 value.         |
| Product family code | BY471X [GentleSpace GreenWarehouse]          |
| Lighting Technology | LED  |
| Glow-wire test      | Temperature 650 °C, duration 5 s             |
| Flammability mark   | For mounting on easily flammable surfaces    |
| CE mark             | Yes  |
| ENEC mark           | ENEC mark                                    |
| Warranty period     | 5 years                                      |
|                     |  |
