

# GentleSpace gen2

### BY471P GRN250S/840 PSD HRO AC BR SI

GentleSpace 2, LED GreenLine system flux 25000 lm, 840 neutral white, Power supply unit with DALI interface, High-rack optic, Acrylic bowl/cover, Silver

With the introduction of the GentleSpace LED luminaire in 2011, Philips achieved a breakthrough in high-bay lighting, offering a huge reduction in power consumption, a long service life and an innovative design. Now, with GentleSpace gen2, Philips is setting a new standard in the market, with an improved total cost of ownership, even in extreme conditions. In addition, a high diversity of options are available to ensure an ideal solution for your application like optics, coatings and enabling the use of a central emergency grid (PSED).

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | GRN250S [LED GreenLine system flux              |
|                          | 25000 lm]                                       |
| Cap-Base                 | - [-]   |
| Light source replaceable | Yes   |
| Number of gear units     | 2 units   |
| Gear                     | EB [Electronic]                                 |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |

| Service tag                        | Yes                                       |
|------------------------------------|---|
| Product family code                | BY471P [GentleSpace 2]                    |
| Lighting Technology                | LED                                       |
| Embedded control                   | -   |
| CE mark                            | Yes                                       |
| Warranty period                    | 5 years                                   |
| Flammability mark                  | For mounting on easily flammable surfaces |
| ENEC mark                          | ENEC mark                                 |
| Glow-wire test                     | Temperature 650 °C, duration 5 s          |
| EU RoHS compliant                  | Yes                                       |
|                                    |   |
| Light Technical                    |   |
| Luminous Flux                      | 25,000 lm                                 |
| Correlated Color Temperature (Nom) | 4000 K                                    |
| Luminous Efficacy (rated) (Nom)    | 152 lm/W                                  |
|                                    |   |
