# **GentleSpace gen2**

# BY471P GRN170S/840 PSED MB PC SI

GentleSpace 2, LED GreenLine system flux 17000 lm, 840 neutral white, Power supply unit with DALI interface, DC compatible for central emergency lighting (integrated), Medium beam, Polycarbonate bowl/cover, Silver

With the introduction of the GentleSpace LED luminaire in 2011, Philips achieved a breakthrough in high-bay lighting, offering a huge reduction in power consumption, a long service life and an innovative design. Now, with GentleSpace gen2, Philips continues to improve even further: an improved total cost of ownership, even in extreme conditions with the the GS-2 Xtreme version, which can be used up to +60 °C or 100,000 hrs of lifetime (L80), both ensured by an integrated over-heat protection. In addition, a wide variety of options – e.g. optics, coatings, mounting possibilities, cover materials and suitable for explosive zones 2/22 – are available to ensure an ideal solution for your application. Additionally, the GentleSpace gen2 can be equipped for use in a central emergency grid (PSED).

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | GRN170S [LED GreenLine system flux 17000        |
|                          | lm]   |
| Cap-Base                 | - [-]   |
| Light source replaceable | Yes   |
| Number of gear units     | 1 unit  |
| Gear                     | EB [Electronic]                                 |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          |   |

|                     | is no relevant difference in lumen           |
|---------------------|--|
|                     | maintenance between B50 and for example      |
|                     | B10. Therefore, the median useful life (B50) |
|                     | value also represents the B10 value.         |
| Service tag         | Yes  |
| Product family code | BY470P [GentleSpace 2]                       |
| Lighting Technology | LED  |
| Glow-wire test      | Temperature 850 °C, duration 5 s             |
| Flammability mark   | For mounting on easily flammable surfaces    |
| CE mark             | Yes  |
| ENEC mark           | ENEC mark                                    |
|                     |  |

### GentleSpace gen2

| Warranty period                        | 5 years                                    |
