## Tango G3 - BVP38x

### BVP383 LED405/CW 360W 220-240V SMB GM

Tango G3 - BVP38x, 40500 lm, 360 W, Cool white, Symmetrical medium beam, 50°, Safety class I, Mounting bracket adjustable

The energy-saving Philips Tango G3 LED Floodlight is the ideal solution for a wide range of Area lighting applications. It incorporates the LED light source, optical system, heat sink and driver into one compact and robust housing that meets globally recognized safety standards. Its specially designed heat sink incorporates aesthetics and functionality to ensure excellent reliability. Powered by LED technology, this luminaire delivers superior performance and a longer lifetime, bringing area lighting to a whole new level.

#### **Product data**

| General Information            |           |
|--------------------------------|-----------|
| Lamp family code               | -         |
| Light source replaceable       | Yes       |
| Driver included                | Yes       |
| Light source engine type       | LED       |
| Lighting Technology            | LED       |
| Flammability mark              | -         |
| CE mark                        | CE mark   |
| ENEC mark                      | -         |
| Warranty period                | 3 years   |
| EU RoHS compliant              | No        |
|                                |           |
| Light Technical                |           |
| Luminous Flux                  | 40,500 lm |
| Standard tilt angle posttop    | -         |
| Standard tilt angle side entry | -         |

| Correlated Color Temperature (Nom) | 5700 K                         |
|------------------------------------|--------------------------------|
| Luminous Efficacy (rated) (Nom)    | 110 lm/W                       |
| Color rendering index (CRI)        | >70                            |
| Light source color                 | Cool white                     |
| Optical cover type                 | Polycarbonate micro lens optic |
| Luminaire light beam spread        | 50°                            |
| Optic type outdoor                 | Symmetrical medium beam        |
|                                    |                                |
| Operating and Electrical           |                                |
| Input Voltage                      | 220-240 V                      |
| Line Frequency                     | 50 or 60 Hz                    |
| Power Consumption                  | 360 W                          |
| Power Factor (Fraction)            | 0.95                           |
| Connection                         | Flying leads/wires             |
| Cable                              | Cable 1.5 m without plug       |
|                                    |                                |
|                                    |                                |

#### Tango G3 - BVP38x

| Temperature                         |                             |
|-------------------------------------|-----------------------------|
| Ambient temperature range           | -40 to +50 °C               |
|                                     |                             |
