# Quebec LED

# BRP775 LED30-4S/740 PSDD DN10 PGR BK DDF

QUEBEC LED, LED module 3000 lm, 740 neutral white, Power supply unit with DynaDimmer, Safety class I, Distribution narrow 10, Flat glass, Black, DynaDimmer with fixed presets version 2, Philips standard surge protection level, Spigot for diameter 60 mm

Quebec LED is a stylish luminaire designed to brighten up residential streets and pathways, precincts, parks and other urban spaces. It incorporates an energyefficient LED engine with high-performance optics, while at the same time retaining the character of the original Quebec fixture. It also offers a choice of bowl versions and mounting options. All these factors together make Quebec LED a versatile solution that can meet the needs of any project.

#### **Product data**

| General Information      |  | Light |
|--------------------------|--|-------|
| Lamp family code         | LED30 [LED module 3000 lm]                         | Prod  |
| Light source replaceable | Yes  | Light |
| Number of gear units     | 1 unit   | Valu  |
| Driver included          | Yes  | Emb   |
| Remarks                  | *-Per Lighting Europe guidance paper               | CE n  |
|                          | "Evaluating performance of LED based               | Warı  |
|                          | luminaires - January 2018": statistically there is | Flam  |
|                          | no relevant difference in lumen maintenance        | ENE   |
|                          | between B50 and for example B10. Therefore,        | EU R  |
|                          | the median useful life (B50) value also            | Serv  |
|                          | represents the B10 value. * At extreme ambient     |       |
|                          | temperatures the luminaire might automatically     |       |
|                          | dim down to protect components                     |       |

| Light source engine type | LED   |
