

ClearFlood Large

BVP651 LED500-4S/740 DW10 ALU PSU

ClearFlood large, LED module 50000 lm, LED, Power supply unit (On/Off), Distribution wide 10, Aluminum

ClearFlood Large is designed to meet the requirements of a wide range of floodlighting applications. It also includes all the necessary control features and interfaces to make it future-proof and even more efficient. ClearFlood Large lets you choose the exact number of lumens you need for your application. Incorporating extremely high-efficiency optics and state-of-the-art LEDs, it is a highly competitive solution offering an outstanding lux/euro ratio and energy savings of up to 40% (without the use of additional controls). The wide choice of optics ensures maximum application coverage. ClearFlood Large is easy to install – you simply plug it in and select the best option for your needs. Perfect for replacing conventional technology and enabling intelligent lighting control while retaining the same electrical installation and poles.

Product data

| General Information | |
|--------------------------|---|
| Lamp family code | LED500 [LED module 50000 lm] |
| Light source replaceable | Yes |
| Number of gear units | 2 units |
| Driver included | Yes |
| Remarks | *-Per Lighting Europe guidance paper |
| | "Evaluating performance of LED based |
| | luminaires - January 2018": statistically there |
| | is no relevant difference in lumen |
| | maintenance between B50 and for example |
| | B10. Therefore, the median useful life (B50) |
| | value also represents the B10 value. * At |
| | extreme ambient temperatures the luminaire |
| | |

| | might automatically dim down to protect |
|--------------------------|---|
| | components |
| Light source engine type | LED |
| Service tag | Yes |
| Product family code | BVP651 [ClearFlood large] |
| Lighting Technology | LED |
| Value ladder | Specification |
| CE mark | Yes |
| Warranty period | 5 years |
| Flammability mark | For mounting on normally flammable |
| | surfaces |
| ENEC mark | ENEC mark |
