

# **ClearFlood Large**

## BVP651 LED450-4S/740 DX60 ALU PSU

ClearFlood large, LED module 45000 lm, LED, Power supply unit (On/Off), Distribution extra wide 60, Aluminum

ClearFlood Large is designed to meet the requirements of a wide range of floodlighting applications from parking lots to tennis courts. One of the key advantages of ClearFlood Large, is that you can choose the exact lumen rating that you need for your specific application. Because ClearFlood incorporates extremely high-efficiency optics and state-of-the-art LEDs, it is a highly competitive solution that offers an outstanding lux/euro ratio and instant energy savings. What's more, thanks to the wide choice of optics, you will always benefit from maximum coverage for your application. ClearFlood BVP651 is also easy to install – simply plug it in and select the option that best suits your needs.

#### Product data

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED450 [LED module 45000 lm]                      |
| Light source replaceable | Yes   |
| Number of gear units     | 2 units   |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper              |
|                          | "Evaluating performance of LED based              |
|                          | luminaires - January 2018": statistically there   |
|                          | is no relevant difference in lumen                |
|                          | maintenance between B50 and for example           |
|                          | B10. Therefore, the median useful life (B50)      |
|                          | value also represents the B10 value. $^{\ast}$ At |
|                          | extreme ambient temperatures the luminaire        |
|                          | might automatically dim down to protect           |
|                          | components  |

| Light source engine type  | LED   |
|---------------------------|---|
| Service tag               | Yes   |
| Product family code       | BVP651 [ClearFlood large]                   |
| Lighting Technology       | LED   |
| Value ladder              | Specification                               |
| CE mark                   | Yes   |
| Warranty period           | 5 years                                     |
| Flammability mark         | For mounting on normally flammable surfaces |
| ENEC mark                 | ENEC mark                                   |
| EU RoHS compliant         | Yes   |
|                           |   |
| Light Technical           |   |
| Upward light output ratio | 0   |
| Luminous Flux             | 40,000 lm                                   |
