

TownTune Central Post-Top DR

ZDP261 DR GO

TOWNTUNE ACC. - - - - - 5 J vandal-protected - Gold

As a luminaire family prepared for existing and scalable urban spaces, TownTune offers all the recent lighting innovations in terms of performance, quality of light and connectivity. The Philips TownTune family consists of three members: a central post top, an asymmetric spigot version and a version using an extending lyre post-top bracket. Each of these three can be customised with a choice of different shapes for housing and an optional decorative ring which comes in two colours. By having these options available, you can create your very own lighting signature and give a distinctive identity to districts and cities. The luminaire family is also equipped with the QR code-based Philips Service tag, which supports installation and maintenance work and enables you to create a digital library of lighting assets and spare parts. TownTune also makes use of the Philips Ledgine optimised lighting platform, ensuring that you always have the right amount and direction of light on your street. Furthermore, thanks to being SR (System-Ready), TownTune is also future-proof and is ready to be paired with both standalone and advanced control and lighting software applications, such as Interact City.

Product data

General Information		Mechanical and Housing	
CE mark	CE mark	Overall height	61 mm
Material	Polymethyl methacrylate	Overall diameter	533 mm
Angle	-	Dimensions (height x width x depth)	61 x NaN x NaN mm (2.4 x NaN x NaN in)
Accessory colour	Gold	Approval and Application	
Product Family Code	ZDP261 [TOWNTUNE ACC.]	Ingress protection code	-

TownTune Central Post-Top DR

Mech. impact protection code	IK08 [5 J vandal-protected]
Product Data	
Full product code	871869949033100
Order product name	ZDP261 DR GO
EAN/UPC – product	8718699490331
Order code	49033100

Numerator – quantity per pack	1
Numerator – packs per outer box	1
Material no. (12NC)	912300024164
Net weight (piece)	0.252 kg
