

TownTune Central Post-Top

ADP260 PCC

As a luminaire family prepared for existing and scalable urban spaces, TownTune offers all the recent lighting innovations in terms of performance, quality of light and connectivity. The Philips TownTune family consists of three members: a central post top, an asymmetric spigot version and a version using an extending lyre post-top bracket. Each of these three can be customised with a choice of different shapes for housing and an optional decorative ring which comes in two colours. By having these options available, you can create your very own lighting signature and give a distinctive identity to districts and cities. The luminaire family is also equipped with the QR code-based Philips Service tag, which supports installation and maintenance work and enables you to create a digital library of lighting assets and spare parts. TownTune also makes use of the Philips Ledgine optimised lighting platform, ensuring that you always have the right amount and direction of light on your street. Furthermore, thanks to being SR (System-Ready), TownTune is also future-proof and is ready to be paired with both standalone and advanced control and lighting software applications, such as Interact City.

Product data

General Information		Dimensions (height x width x depth)	
CE mark	CE mark	20 x NaN x NaN mm (0.8 x NaN x NaN in)	
Material	Polymethyl methacrylate	Approval and Application	
Angle	-	Ingress protection code	-
Accessory colour	Clear	Mech. impact protection code	IK08 [5 J vandal-protected]
Product Family Code	AAA000 [Spare Parts Outdoor Lighting]	Product Data	
Mechanical and Housing		Full product code	871869949037900
Overall height	20 mm	Order product name	ADP260 PCC
Overall diameter	477 mm	EAN/UPC – product	8718699490379

TownTune Central Post-Top

Order code	49037900
Numerator – quantity per pack	1
Numerator – packs per outer box	1
Material no. (12NC)	912300024168

Net weight (piece)	0.900 kg
