# ColorBlast IntelliHue Powercore gen4

## ColorBlast IntelliHue Powercore gen4, 100 – 277 VAC, 10° Native (no spread lens), Black Housing, UL/CE/CQC

ColorBlast IntelliHue Powercore gen4, 100 – 277 VAC, 10° Native (no spread lens), Black Housing, UL/CE/CQC

ColorBlast IntelliHue Powercore produces high-quality white, pastel, and saturated color light, in the same precisely controllable luminaire. IntelliHue technology delivers exceptional CRI and the ability to choose any CCT between 2000 K and 10000 K. ColorBlast IntelliHue Powercore offers a range of accessories that allow for customizable beam angles for floodlighting, spotlighting, wall washing, and grazing, along with the efficiency and cost-effectiveness of Powercore technology in a rugged die-cast aluminium housing.

#### **Product data**

| General information           |                          |
|-------------------------------|--------------------------|
| Beam angle of light source    | 10 °                     |
| Light source color            | IntelliHue               |
| Light source replaceable      | No                       |
| Number of gear units          | 1 unit                   |
| Driver/power unit/transformer | -                        |
| Driver included               | Yes                      |
| Optical cover/lens type       | Tempered glass           |
| Luminaire light beam spread   | 10°                      |
| Cable                         | Cable 1.8 m without plug |
| Protection class IEC          | Safety class I           |
|                               |                          |

| CE mark                  | CE mark               |
