

# Vaya Flood LP Small

## BCP433 BL 100-240 10 CE CQC PSE

Narrow beam angle 10°

With budgets under pressure, property owners and developers are looking, more than ever, for value for money when it comes to capital expenditures. Vaya Flood is an affordable and reliable LED solution that minimizes the initial investment, while providing exceptional flexibility to create eye-catching, dynamic and colourful lighting effects that can bring a property to life. The robust Vaya Flood offers a wide choice of mono colours with a simple on-off switch and changing colours with a standard DMX512 controller. It is also extremely easy to install and aim.

#### **Product data**

| General Information         |                               |
|-----------------------------|-------------------------------|
| Lamp family code            | LED-HB [ LED High Brightness] |
| Light source colour         | Blue                          |
| Light source replaceable    | No                            |
| Driver included             | Yes                           |
| Optical cover/lens type     | GT [ Tempered glass]          |
| Luminaire light beam spread | 10°                           |
| Protection class IEC        | Safety class I                |
| CE mark                     | CE mark                       |
| CQC mark                    | CQC-mark                      |
| Outdoor optic type          | Narrow beam angle 10°         |
| PSE mark                    | PSE mark                      |
| Angle                       | 10°                           |
|                             |                               |
| Operating and Electrical    |                               |
| Input voltage               | 100 to 240 V                  |
| Input frequency             | 50 to 60 Hz                   |
|                             |                               |

| Controls and Dimming         |   |
|------------------------------|---|
| Dimmable                     | Yes   |
|                              |   |
| Mechanical and Housing       |   |
| Housing material             | Aluminium die-cast                            |
| Optic material               | Glass   |
| Optical cover/lens material  | Tempered glass                                |
| Optical cover/lens shape     | Flat  |
| Optical cover/lens finish    | Clear   |
| Colour                       | Dark Grey                                     |
|                              |   |
| Approval and Application     |   |
| Ingress protection code      | IP66 [ Dust penetration-protected, jet-proof] |
| Mech. impact protection code | IK06 [1J]                                     |
|                              |   |
| Application Conditions       |   |
| Ambient temperature range    | -40 to +40 °C                                 |
