

LytePro 7 LED Wall Sconce

LPW7, 14W COB LED, 350mA, 4000K, 120-277V, Bronze textured paint

LPW7, 14W COB LED, 350mA, 4000K, 120-277V, Bronze textured paint – 82 lm/W

The low profile silhouette and compact appearance of LytePro 7 LED wall sconces have high appeal across many building styles. Its low profile styling is ideally suited for use over doorways, garages, entranceways, wall signs or any applications where a lower mounting height and compact size is desired. LytePro 7 utilizes only 14 watts, and achieves up to 86 LPW to provide an efficient alternative to traditional light sources.

Product data
