

WayGlo LED Night Light

WGT

Thru-Wall LED Night Light

WayGlo is a LED Night Light that provides a smooth pattern of light at the floor plane. It is available in two different faceplate designs with versions for both vertical and horizontal junction box orientations. WayGlo's versatility makes it a suitable selection for additional applications such as task lighting at a counter or corridor and stair illumination. The LED source insures limited maintenance and low energy consumption. WayGlo is rated for wet location environments.
