Pole-mounting bracket, 350 mm, RAL color

Metronomis is a family of highly distinctive luminaires and dedicated poles and brackets, which can be used with a wide diversity of optics to provide architects and lighting designers with the total solution needed to create a unified, consistent lighting design that still reflects the differences in urban culture and history. In its daytime appearance, Metronomis integrates harmoniously with any street scene, while its night-time appearance is both functional – guiding people and traffic safely through the city – and decorative, creating a pleasant ambience in city squares and pedestrian precincts.
