

Cellular CT nodes

LLC7260 CityTouch Connector Node LV

The Philips cellular node enables plug and play connectivity for any existing and already installed outdoor lighting luminaire with different type of receptacle (such as Zhaga, Nema or 20mm conduit). Once a node is installed, the luminaire is automatically connected to Philips Interact City and automatically located on the map via GPS. Depending on the luminaire configuration (such as Zhaga, Nema or 20mm conduit) it will also work with an outdoor multi sensor.

Product data

Product Data	
Order product name	LLC7260 CityTouch Connector Node LV
Full product name	LLC7260 CityTouch Connector Node LV
Order code	913700363303
Material Nr. (12NC)	913700363303
Numerator - Quantity Per Pack	1

EAN/UPC - Product/Case	781087139578
Numerator - Packs per outer box	30
EAN/UPC - Case	50781087139573
