

ActiLume DALI

LCC1653/02 ACTILUME CONTROLLER

The Philips ActiLume lighting control system consists of a small, lightweight sensor and controller designed for easy integration into luminaires. ActiLume is a true plug & play solution for open-plan (up to 34 luminaires) or cell offices (e.g. 4 luminaires). Used in a master-and-slave luminaire concept, easy to use and easy to install. Specific application brochures are available to help specify and apply the system in an optimal way. Commissioning is optional for all application modes. Using this method, functions can be changed without affecting the electrical installation.

Product data

Product Data	
Order product name	LCC1653/02 ACTILUME CONTROLLER
Full product name	LCC1653/02 ACTILUME CONTROLLER
Full product code	871150091042430
Order code	913700613772
Material Nr. (12NC)	913700613772
Local order code	9137-006-13772

Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8711500910424
Numerator - Packs per outer box	48
EAN/UPC - Case	8711500910431
