Group Cabinet Control

LFC7590/01 Surge Guard

Philips Group Cabinet Control enables remote grouping, monitoring, and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution at the electrical cabinet. Supports optimized energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communications carriers to provide stable and reliable communications to Interact application(s).

Warnings and Safety

· Refer to Documentation portal for all technical documents (https://www.partner.portal.signify.com/)
· Check the local LTE band applicable before placing an order for the controller
· No UL certification in Gen3 controller and modules
· Update forecast for Gen3 in Koolog tool to ensure on-time delivery for projects

Product data

Product Data		Numerator – Quantity Per Pack	1
Order product name	LFC7590/01 Surge Guard	EAN/UPC – Product/Case	8718696723579
Full product name	LFC7590/01 Surge Guard	Numerator – Packs per outer box	32
Full product code	871869672357900	EAN/UPC – Case	8718696723586
Order code	913701035303		
Material Nr. (12NC)	913701035303
