

Dynalite Multipurpose Controllers

DMC810GL

Within any project, many different lighting load types may be required to achieve a desired result. Each of these load types may require a different style of control. The Philips Dynalite range of multipurpose controllers allows customization of output types via different output module units. When using DIN-rail multipurpose controllers, a specific type of control can be chosen for each circuit: relay, leading-edge dimmer, trailing-edge dimmer, ballast control, controller with out-of-the-box functionality, fan control, and blind/screen control. In any combination, multiple load types can be controlled from a single device. This simplifies installation and prevents wasted capacity of circuits that are not required.

Product data

| General Information | | | |
|---------------------------|---|---------------------------------|-----------------|
| Remarks | Please download the Lighting - Product Data Sheet for more information and ordering options | Full product name | DMC810GL |
| CE mark | CE mark | Full product code | 871016350632600 |
| EU RoHS compliant | Yes | Order code | 913703028009 |
| Temperature | | Material Nr. (12NC) | 913703028009 |
| Ambient temperature range | 0 to +40 °C | Numerator - Quantity Per Pack | 1 |
| Product Data | | EAN/UPC - Product/Case | 8710163506326 |
| Order product name | DMC810GL | Numerator - Packs per outer box | 1 |
| | | EAN/UPC - Case | 8710163506333 |
