

Dynalite System Integration

DDFCUC024

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Philips Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution. By utilizing the correct gateway, different systems can be integrated, allowing end-users access to a fully automated site from one interface. By successfully integrating third-party systems with a Dynalite solution, repetitive end-user interaction is reduced.

Product data

General Information		Full product name	DDFCUC024
Remarks	Please download the Lighting – Product Data Sheet for more information and ordering options	Full EOC	871016350782800
CE mark	CE mark	Order code	50782800
EU RoHS compliant	Yes	Material no. (12 NC)	913703081009
Temperature		SAP numerator – quantity per pack	1
Ambient temperature range	0 to +40 °C	EAN/UPC – Product/Case	8710163507828
Product Data		Numerator – packs per outer box	1
Order product name	DDFCUC024	EAN/UPC – Case	8710163507835
